Deposit and Payment Options

There is a \$2,000 enrollment deposit that is NON-REFUNDABLE. This deposit will be credited toward the first tuition payment of the year.

Tuition for the academic year will be paid in accordance with the terms of one of the following options:

OPTION 1 - One payment in full. All tuition and fees/books due and payable by June 15 of the current year.

OPTION 2 - Two payments: One-half of tuition and all fees/books, less the deposit, due and payable by June 15 of the current year; one-half of tuition will be due and payable by January 1 of the next year.

OPTION 3 - 25% of tuition and all fees/books, less the deposit, will be due and payable by June 15 of the current year. Starting September 1, the balance of 75% of tuition will be paid in 6 equal monthly payments. Last payment will be due by February 1. A \$20 service charge will be included in each monthly payment per family.

Tuition Refund Insurance

Tuition Insurance is required of all Option II and Option III payment plans. It is optional for those choosing Option I, but is highly recommended to protect the parent's tuition investment.

Tuition and fees for the next academic year are determined in January.
