

# Marymount of Santa Barbara Annual Fund 2009—2010

**Marymount**  
of Santa Barbara

For 70 years, Marymount of Santa Barbara has been dedicated to academic excellence, moral development, and community service. Support from the Marymount community is needed in order to continue providing high-quality education while maintaining our exceptional reputation and tradition. Marymount's operating budget relies on funds from the Annual Fund.

Traditionally, the Annual Fund is vitally important to bridge the gap between what is paid in tuition and the actual cost of each child's education. At Marymount that deficit is approximately \$2,500 per child. As we all know, these are not traditional times. Our efforts in holding tuition in check, increasing tuition assistance, and cutting back in non-program related areas as well as faculty and staff taking unpaid furlough days are all in an effort to keep our community together and our programs solid.

Despite our leanest budget in recent history, academic excellence is stronger than ever at Marymount. 84% of our students scored at or above the national average in math and 78% at or above the average in reading using the norms for independent schools nationwide.

In order to continue to build on our success we need the support of our community through the Annual Fund. Your Annual Fund donation will help to keep our programs strong and our families and faculty and staff together.

## Sponsorship Opportunities

\$10,000 and above — Your support at this level would cover 90% of the sports equipment costs necessary for the school year.

\$5,000—Your support at this level provides one student with 40% financial assistance towards tuition for a year.

\$2,500—As members in the Headmaster's Club, your support bridges the per student gap between tuition and operating expenses.

\$1,000—Your support at this level provides one teacher attendance at a prominent, national conference.

\$500—Your support at this level provides a one-way ride in a bus for a class field trip.

\$250—Your support at this level provides a one-day workshop for a class to learn about drug abuse prevention and child safety.

\$100—Your support at this level provides two students with new hard bound math books OR pays two days of Marymount's water bill.

The Annual Fund 2009 goal is \$265,000. Gifts may be made by either making a one-time donation, a pledge to give over an extended period, or a contribution of stock.

Marymount accepts Visa, MasterCard, and American Express. Show your support today!
